CONGRATS ON YOUR UPCOMING GRADUATION!

My favorite part about photographing senior portrait sessions and milestone graduations is getting to know the individual that the session is for. I want your input on whatever ideas you already have or what portrait you would like to create of yourself. I want to ask what you've been through to make it here. I want to know what comes next for you. I want to give you a gallery of photos that celebrates not only who you are, but tells your story so far.

Talk to you soon!

“I’M GOING TO MAKE EVERYTHING
AROUND ME BEAUTIFUL. THAT WILL
BE MY LIFE.”

ELSIE DE WOLFE

My name is Amber Liesse and I am the owner and photographer for Hey Babe Photos. I live in downtown Robbinsdale with my husband and our spoiled rotten German Shepards: our medically complex and beloved Bear, and our newest addition an up and coming therapy dog, Bunny. When I am not running around with the camera I can be found in the gym attempting to be a bad ass weightlifter, repurposing furniture or working on an ambulance - I am a full time paramedic and my husband is a full time firefighter, life is crazy and wonderful.

It has been a passion of mine my entire life to make things beautiful. If it is artistic you can bet that I have at least dabbled in it. Photography fell into my lap unexpectedly and I fell in love fast and hard.

Being welcomed into someone's life as a photographer is something that I do not take lightly. I know that you are nervous, I know that you are self conscious, I know that you want it to be perfect. I want it to be perfect too! We will become fast friends, we will enjoy this time together, and we will both be happy with the final product. Trust me - I am here for you too! I will be your biggest fan, cheerleader, timekeeper, family-wrangler, whatever it is you need in that moment. The photographs that we create together will just be a product of the experience we have together! From weddings to senior sessions to family minis to showing off your business, you have a story to tell and I am ready to help you share it with the world.

I can't wait to work with you!

ps: please never ask if you can bring your dog.
it is always preferred that you bring your dog.

THE LEGACY : \$ 6 5 0

this is perfect for those grads who are doing this for the sake of getting a nice, standard portrait for the yearbook and/or family. these sessions are typically held at local parks of my choosing within 20 minutes of minneapolis. turnaround for these sessions is two weeks, these are also good for you procrastinating folks (like myself.)

PROFESSIONAL RETOUCHING: \$15 / IMAGE

professional retouching can be added to any package or photos that you choose and will be discussed after delivery. you will choose the photos you would like professionally retouched and they will be edited and returned within one week. this is good for those of you who are concerned about skin texture or shininess, scarring, teeth whitening, frizzy hair, or if you just want your chin tightened up a little bit. no, I will not “take off twenty pounds” so don’t even ask. you’re all beautiful the way you are, but this option is good for those of you that want a little more say in your final products.

WHAT TO EXPECT

CONTRACT

I will send over a very simply contract with your invoice! This protects us both and basically just lays out that we both own the photos and agree to make sure we are both happy with the final product.(contract signer must be 18 years old.)

PAYMENT

25% retainer will be due at contract signing to hold your date. this fee is non-refundable but IS transferable if you need to reschedule for any reason.

SCHEDULING

we will schedule your session before you sign the contract, I have multiple different days of availability every week and can be very flexible in the warmer months! *heavy warning* that september and october are very very busy months for me and most graduate sessions will need to be done during the weekdays due to weddings on the weekends.

IF YOU HAVE ANY QUESTIONS,
PLEASE SEND OVER A MESSAGE.

I CAN'T WAIT TO WORK WITH YOU!
XO, AMBER
